Bay retreat is a unique and stunning development of just twenty eight contemporary low maintenance holiday homes designed by award winning local architects, located on the outskirts of the bustling and highly popular village of St Merryn, approximately four miles from Padstow. The development has the benefit of being set in its own landscaped courtyard gardens.

The stylish look of each home at Bay Retreat is created through the use of self coloured render, engineering brick plinths, a combination of painted grey softwood and UPVC double glazed windows and doors, and the use of horizontal timber cladding. This coupled with the feature steel and glass balconies, Velux windows, the red brick pavers at the front and concrete paving

stone patio and grassed area in the garden, make Bay Retreat very desirable. Special features include a landscaped amenity area together with 5 designated visitor parking spaces, ten bicycle parking spaces, access to the on site pub/restaurant, convenience store, and the dog and strolling area. These modern, open plan dwellings provide a low maintenance, high specification holiday lifestyle, a bolt hole by the coast or an outstanding investment opportunity.

Number 2 is a mid terrace villa comprising an open plan living space, cloakroom, two double bedrooms and a family bathroom. The kitchen has been stylishly designed by Arrital and fitted with a quality brand of Italian designed white gloss floor and wall cabinets and drawers with a contrasting black work surface. Integrated appliances include an electric hob and oven, stainless steel extractor hood, dishwasher, fridge and freezer and a washer/dryer. Being open plan, the kitchen flows through to a dining area and lounge with French doors opening to the garden at the rear. Recent upgrades include the water heater tank, dimmable LED lighting for the lounge and kitchen area. Upgrade to the fire alarm system to meet current regulations.

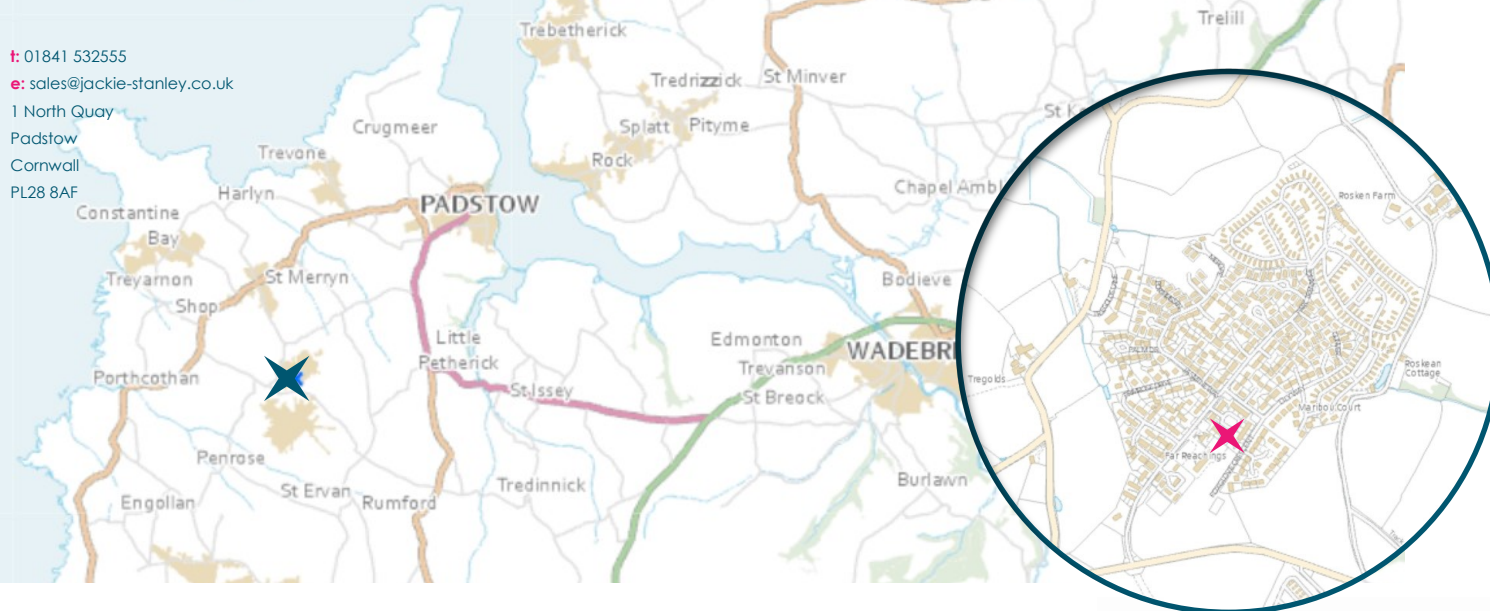

Up on the first floor are two double bedrooms and family bathroom. The master bedroom has a wonderful feature steel and glass balcony to the front aspect with views over the development and beyond. The second bedroom, also a double and currently arranged as a twin, has two velux windows to the rear aspect. The family bathroom is finished to a high standard and fitted with Italian styled white sanitary ware and chrome fittings that include a wash basin, low level WC, a paneled bath with glass shower screen and Mira electric power shower and chrome heated towel rail with thermostatic control.

To the rear of the property is a patio area perfect for al fresco dining and small area of lawn, enclosed with a fence
